

Citavi

Software and license

If you have a Windows computer, please install the Citavi software and license:

 Information about the installation can be found on the website of the Regional Computing Center of the University of Hamburg: <u>https://www.rrz.uni-hamburg.de/services/software/rahmenvertraege/citavi.html</u> (German only)

or in the following tutorial:

 Youtube tutorial on installation and licensing: <u>https://youtu.be/Xu-xPwUBWGU</u> (0-2:00 Min - in German, *please choose English subtitles*!)

To **activate the license**, you need your STINE-ID and the corresponding password.

Citavi Picker

Also install the Citavi Picker in the Firefox browser:

 Simply open the following link in your Firefox browser: <u>https://addons.mozilla.org/de/firefox/addon/citavi-picker/</u> and click on "+ add to Firefox".

Citavi Plug-in

The **Citavi plug-in** should now be displayed automatically in **Word**:

• When you open MS-Word, you should now see a tab called "Citavi" in the top right-hand corner.
