Job opportunity: Student Assistant within the GLOBALINTO project

The project coordinator of the GLOBALINTO project, Dr. Felix Roth, is looking for a student assistant for 86h per month. The student assistant will be employed within the GLOBALINTO project, an international project focused on measuring and analyzing the impact of Intangible Capital on labor productivity. More information can be found on the webpage [www.globalinto.eu](http://www.globalinto.eu) and [https://www.wiso.uni-hamburg.de/en/fachbereich-vwl/professuren/straubhaar/research/globalinto.html](https://www.wiso.uni-hamburg.de/en/fachbereich-vwl/professuren/straubhaar/research/globalinto.html).

Tasks:

- Academic and administrative support
- Support in data collection and analysis, particularly in the formation and description of micro- and macro-economic datasets
- Various organizational tasks

The ideal candidate should:

- Show interest and have good knowledge in Econometrics and Statistics
- Be acquainted with the statistical software package Stata
- Be fluent in English
- Be acquainted with Microsoft Office (Excel, Word, Power Point)
- Have good organizational skills

The successful candidate is expected to start the post as soon as possible. The term is fixed until 31st of March 2021, with a potential 1 year renewal period until 31st of March 2022.

The application in German or English containing a cover letter and a CV should be sent to Mr Dr. Felix Roth (felix.roth@uni-hamburg.de). The closing date for applications is 31.03.2020.

The interviews will take place as soon as possible.
