

Winter Term 2020/21, Thursdays 15:15

# KlimaCampus Kolloquium

---

## Program

### Upcoming Talks

Currently, the KlimaCampus Colloquium continues its lecture series with highlights from the local Hamburg expertise! The speakers will represent our unique KlimaCampus network, various kinds of disciplines and institutions. We are looking forward to interesting presentations and discussions! The next speakers are:

January 28<sup>th</sup> | **Daniela Jacob**, GERICS  
February 4<sup>th</sup> | **Bjorn Stevens**, MPI-Met  
February 11<sup>th</sup> | **Detlef Stammer**, Universität Hamburg (tbd)  
February 18<sup>th</sup> | **Stefan Aykut**, Universität Hamburg

*...more speakers can be found on the webpage and will be announced soon...*

The colloquium will be held online via Zoom. Please find the registration link here:
