If you come by train stopping at Dammtor Station:

Leave the station towards Edmund-Siemers-Allee (main entrance). Take the bus M4 or M5, leave it next station "Stephansplatz". Turn left, go back and cross the street. Our offices/ seminar rooms are located in the Casino building set on the corner of Esplanade and Dammtordamm. Please do not use the Casino entrance. Our entrance faces to Esplanade.

You can skip the bus if the wheater is nice and come walking. Won't take you any longer. Just leave Dammtor station by the rear entrance, take the pedestrian bridge on your left hand and then on its top turn left. From there you can see the Casino building.

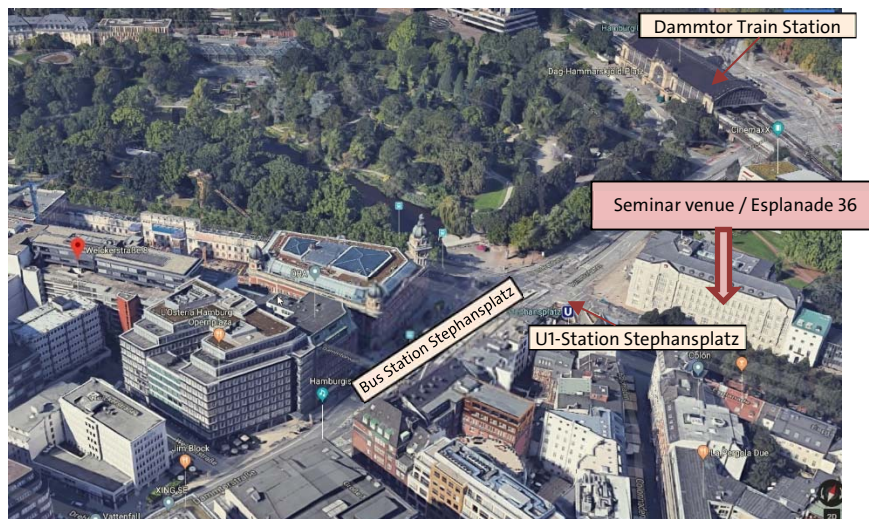

If you come by plane:

At Hamburg Airport you can take a taxi, rent a car or use public transport. We recommend the latter. Take the city train "S-Bahn" Line S1/S11 towards Ohlsdorf, where you change into the Underground train U1 (blue line) towards Farmsen/Großhansdorf. Leave the U1 at Stephansplatz. You can get all pertinent information on travel duration and prices at the [website of the HVV](#), the Hamburg Public Transport Association.
