- Student assistant position -

Social Media, Website and Video/Animation - on Circular Economy

Support of the Chair of Circular Economy and Systems Innovation

The newly created Chair of Circular Economy and Systems Innovation is looking for a motivated student assistant with excellent visualisation and digital skills. Tasks will involve the design and building of a website, and the creation of content for it. In addition, running a cross-platform social media campaign on circular economy will be part of the tasks. One or more short (animated) videos to support the dissemination will be involved.

The position to be filled has a length of at least 10 to a maximum of 19 hours per week, for about 5 to 7 months. In addition to the remuneration set for student assistants, we offer you a nice working atmosphere in a small but young and dynamic team, flexible working hours and an insight into our current research activities. Start in June, July or September (as August is the holiday period).

What is needed

Fluency with Adobe Illustrator, XD, Dreamweaver and Animate are a must. Familiarity with LinkedIn and Twitter required. Demonstrable interest in the topic of circular economy is considered an advantage. Please send a cover letter and overview of any relevant experience to: fenna.blomsma@uni-hamburg.de. Please include examples of previous work (e.g. (links to) videos/ websites). Applications should be sent by email no later than 15. April 2020, clearly referencing the topic of the position you are applying for in the topic line of the email.

Other skills:

- Reliable and committed
- Accurate and with attention to detail
- Good visualisation skills
- Very good knowledge of German (C2)
- Very good knowledge of English (C1 / C2)

Kind regards,

Prof. Dr. Fenna Blomsma
