

Environmental Social Governance

We are looking for an intern to support the Lufthansa Technik ESG* strategy team!

*ESG stands for Environmental, Social, and Governance. It is a framework used to evaluate the sustainable and social impact of a company's business activities.

Our Mission & Goal

- Position LHT Group's ESG profile in the MRO (Maintenance, Repair & Overhaul) market
- Set ESG strategy and ambition level on material topics in close collaboration with our stakeholders
- Lead the change by fostering communication and engagement activities
- Act as multiplier, role-model and connector for the entire organization

About us

- Project team based in Hamburg
- Diverse backgrounds and long-term experience in the area of sustainability, strategy and organizational development
- Hybrid working mode with flexible home office and onsite co-working days

We're looking for you

- Sustainability-minded,
- self-organized and intrinsically motivated,
- with an high affinity for new ways of working and
- eager to create meaningful impact for Lufthansa Technik Group,
- available from 1st August 2023 for at least 5 months

Project suggestions for you

- Support development of Corporate Citizenship framework for LHT Group
- Organize engagement campaign to raise awareness for sustainability
- Support project team with strategy development and ESG routine tasks
