

Let's create social impact together – Join the world's largest volunteer consultancy

Who we are

As the world's largest student consultancy, we support non-profit organizations and social entrepreneurs with the aim of tackling strategic challenges. Based on our know-how and our comprehensive consulting experience, we develop customized, conceptual and innovative solutions together with our project partners and thus create a substantial social impact in economy and society.

Your benefits

Join 180 Degrees Consulting and work in a small team on an innovative solution for one of our project partners.

Social Impact

Consulting Experience

Trainings & Workshops

Network Expansion

Our past projects

RENN.nord is a network for sustainability connecting organizations in the northern German federal states and providing impulses for more sustainability.

OURZ is a cloud and blockchain-based traceability platform. The social mission of OURZ is to make value chains of corporations, especially in the food industry, more transparent.

Membrs is a mobile platform that focuses on strengthening of regional consumption by supporting local trade and social projects. Their mission is to create a win-win-win situation for all stakeholders.
