DER FORSCHUNG | DER LEHRE | DER BILDUNG

**Universität Hamburg is dedicated to sustainability, equal opportunity, and family-friendly policies. We also prize cultural diversity, communication, and interaction among people from different backgrounds and with different lifestyles.**

The **Faculty of Business, Economics and Social Sciences** invites applications for a

## **JUNIOR PROFESSORSHIP (W1) FOR RESPONSIBLE INVESTMENT AND MANAGEMENT**

commencing **as soon as possible, ref. no. JP 287.**

### **Responsibilities:**

The successful candidate is expected to focus research on issues of management, reporting and/or measuring responsible investment in financial markets and their effect on financial performance, risks, and society. Links to environmental, social, and governance (ESG) factors are also desired. The successful candidate is also expected to integrate her or his research and teaching into the Faculty's research area Sustainability.

We expect candidates to demonstrate strong methodological skills in empirical research. In addition, the successful candidate will also be expected to teach classes for bachelor's and master's degree programs on general financial and/or management topics, and for subjects on responsible investment in German and in English. Teaching of students in the Faculty's Graduate School is also desired.

Section 12 subsection 7 sentence 2 of the Hamburg higher education act (Hamburgisches Hochschulgesetz, HmbHG) applies.

### **Requirements:**

Academic qualifications and additional requirements as specified in Section 18 HmbHG.

### **Further criteria:**

Applicants are expected to have international research experience as well as a successful track record in acquiring external funding and carrying out externally funded projects. The University places particular emphasis on the quality of teaching and therefore requests that applicants provide details of their teaching experience and objectives.

The post holder is expected to acquire the language skills necessary to teach in German (Level C1 of the Common European Framework of Reference for Languages) within two years of commencing employment should he or she not have the requisite skills when starting.

Junior professors have academic autonomy in their research and teaching. To ensure synergies in research and teaching, applicants' subject interests are expected to relate to the research group sustainable finance.

In accordance with Section 14 subsection 3 sentence 3 HmbHG, Universität Hamburg seeks to increase the proportion of women in teaching and research and encourages female academics to apply.

Qualified disabled candidates or applicants with equivalent status receive preference in the application process.
