Job opportunity: Student Assistant within the GLOBALINTO project

The project coordinator of the GLOBALINTO project, PD Dr. Felix Roth, is looking for a student research assistant for 40 hours per month. The student assistant will be employed within the GLOBALINTO project, an international project focused on measuring and analyzing the impact of Intangible Capital on labor productivity. More information can be found on the webpage www.globalinto.eu and https://www.wiso.uni-hamburg.de/fachbereich-vwl/professuren/straubhaar/forschung/globalinto-projekt.html.

Tasks:

- Academic and administrative support;
- Support in data collection and analysis, particularly in the formation and description of micro- and macro-economic datasets;
- Various organizational tasks.

The ideal candidate should:

- Show (great) interest and have (very) good knowledge in Econometrics and Statistics;
- Be acquainted with the statistical software package Stata or a comparable statistical software package;
- Be fluent in English;
- Be acquainted with Microsoft Office (Excel, Word, Power Point);
- Have good organizational skills.

The successful candidate is expected to start the post on 1st of October 2021. The term is fixed until 30th of September 2022, with a potential renewal.

The application in German or English containing a cover letter and a CV should be sent to Aisada Most (aisada.most@uni-hamburg.de). The closing date for applications is 18.07.2021.

The online-interviews will take place as soon as possible.
