

Registration for Master's Thesis (MSc Econ / MSc PEP)

Please send this form with a scan or photo of your personal ID/passport via e-mail to the person responsible for you in the course and examination management at the Academic Office for Economics.

1 To be completed by the student

Name:

Student ID number:

First Name:

Phone:

Degree program: MSc Economics (2 years) MSc Economics (1 year) M.Sc PEP

Declaration of authorship/ Use of Generative Artificial Intelligence (GAI)

The completed form "[Declaration of authorship for final thesis](#)" must be submitted with the Master's thesis. Before registering for the thesis, a discussion on the use of GAI systems must be held with the first examiner or supervisor on the basis of this form.

Statement:

I confirm that I meet the requirements for registration for the Master's thesis:

- MSc Econ (2-year version): 3 compulsory modules and 48 credit points of electives
- MSc Econ (1-year version): 3 compulsory modules and 12 credit points from electives
- MSc PEP: 72 credit points (with at least 12 credit points obtained from interdisciplinary seminar).

I have read and understood the [information on master's thesis](#) and on using GAI. Its use has been agreed with my first examiner.
